WP 4.3 Seminars for administrators and stakeholders and other onsite events

Seminar for Administrator 1

Date : 06 February 2020 (Thursday)

Time : 11.00 am

Venue : Meeting Room Block 17 (Department of Mechanical Engineering, UTP)

Attendees:

1. Shaharin Anwar Sulaiman
2. Haizatul Hafizah Hussain
3. Hamdan Ya
4. Mohamed Mubarak Abdul Wahab

On 6th of February 2020, during Session 1, Dr. Shaharin has invited new team members from Mechanical Engineering Department (ME), Petroleum Engineering Department (PE), and Civil and Environmental Engineering Department (CVE) to present on the newly awarded international Erasmus project, Marine Coastal and Delta Sustainability for Southeast Asia (MARE). Dr. Shaharin introduced the involved organization partners, background, objectives, duration and expected outcomes of the project. He also shared the information on the potential courses that would be beneficial and related to the theme of MARE.

Seminar for Administrator 2

Date : 02 March 2020 (Monday)

Time : 3.00 pm

Venue : Meeting Room Block 17 (Department of Mechanical Engineering, UTP)

Attendees:

1. Shaharin Anwar Sulaiman
2. Haizatul Hafizah Hussain
3. Juhairi Aris Muhamad Shuhili
4. Puteri Sri Melor Megat Yusoff
5. Hamdan Ya
6. Nurul Azhani Yunus
7. Khairunnisa Aimi Ghazali

During the seminar, a sharing session on kick-off meeting findings was conducted with the staff members. It includes on the roles of UTP in the project, dissemination activities to be conducted, winter school programme coordination, equipment purchase and other related matters pertaining to the project execution.

Seminar for Administrator 3

Date : 08 July 2020 (Wednesday)

Time : 2.30 pm

Venue : Meeting Room Block 17 (Department of Mechanical Engineering, UTP)

Attendees :

1. Shaharin Anwar Sulaiman

Co-funded by the
Erasmus+ Programme
of the European Union

MARE
**WP 4.3 Seminars for administrators
and stakeholders and other onsite
events**

2. Haizatul Hafizah Hussain
3. Hamdan Ya
4. Mohamed Mubarak Abdul Wahab
5. Zahiraniza Mustaffa
6. Teh Hee Min
7. Nasir Shafiq
8. Dzeti Farhah Mohshim

The seminar was attended by all course owners to discuss on courses' modification and update on syllabus of the existing courses. The course owners from the six selected courses exchanges views and ideas on the courses' content modification and will be preparing a draft to be presented. Other than that, preparation of ToR for PhD research framework was also discussed.

Seminar for Stakeholder 1

Date : 24 June 2020 (Wednesday)

Time : 11.00 am

Venue : SIRIM Tech Venture Sdn. Bhd., Permatang Pauh, Penang

Attendees :

1. Team members from Mechanical Engineering Department (ME)
2. SIRIM Tech Venture Sdn. Bhd.

Seminar for stakeholder involving the SIRIM FGV Sdn Bhd and postgraduate of Mechanical Engineering students was conducted by Dr Hamdan Hj Ya on 24th June 2020 at SIRIM Permatang Pauh, Penang. He explained on the purpose of the project and programme activities by sharing the MARE information using few slides presentation during the meeting. The audience have shown interests and by asking few questions in relating to the programme activities. There will be more sharing sessions to the respective stakeholders as the project progresses. It is hoped that the dissemination activities would help to promote MARE theme as well as achieving its objectives.

Seminar for Stakeholder 2

Date: 26 June 2020

Time: 3.30 p.m. – 4.30 p.m.

Venue: Online Forum at YouTube Live

Topic: Mangrove Conservation Awareness Programme

Audience: 1123 online viewers (Panelists and students)

- Panelists are from :

- 1) Perak Forestry Department
- 2) The Perak State Irrigation and Drainage Department
- 3) Global Environment Centre (GEC)
- 4) Dr. Nik & Associates Sdn. Bhd.
- 5) Manjung Municipal Council

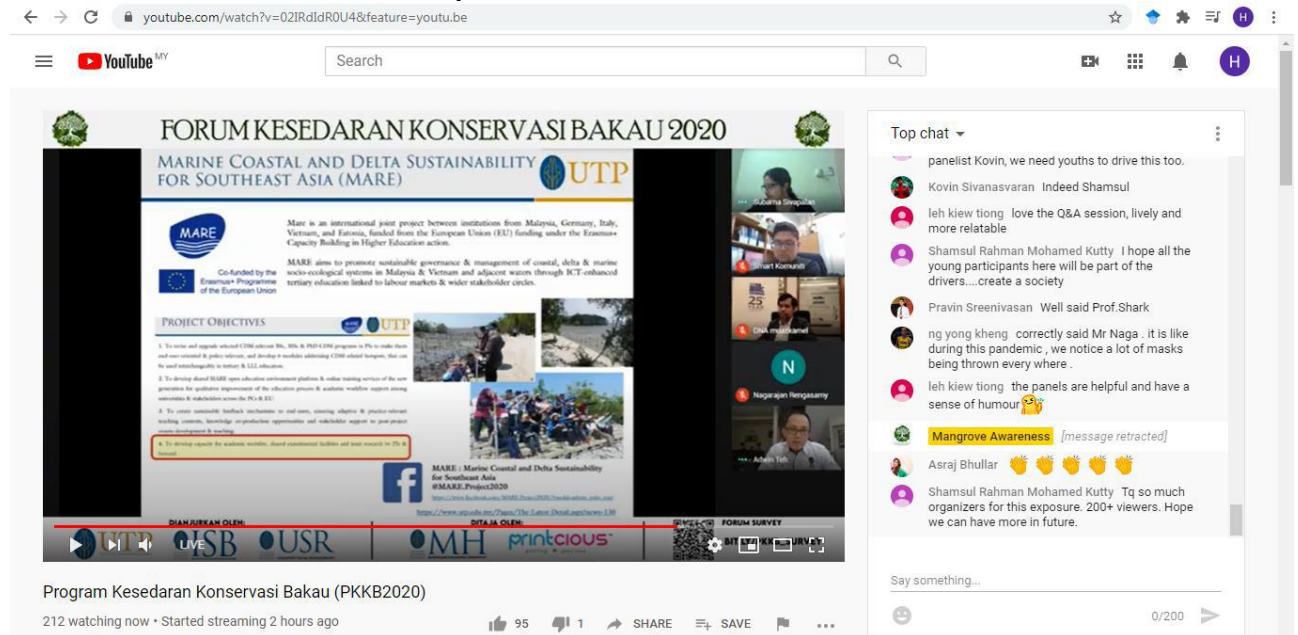

Co-funded by the Erasmus+ Programme of the European Union

MARE WP 4.3 Seminars for administrators and stakeholders and other onsite events

The online forum was jointly organized by Institute of Self-Sustainable Building, University Social Responsibility group, and Management & Humanities Department, UTP. Some of the topics discussed were the integration between mangrove environment and coastal community, socio-economy of the coastal community, mangrove protection using engineering approaches, etc. The forum managed to attract a total of 1123 viewers via YouTube Live. During the forum, a brief overview of MARE, was also shared with the panelists and audience.

Seminar for Stakeholder 3

Date : 30 June 2020 (Tuesday)

Time : 2.15 pm

Venue : Meeting Room Block 17 (Department of Mechanical Engineering, UTP)

Attendees :

1. Shahrin Anwar Sulaiman
2. Haizatul Hafizah Hussain
3. Hamdan Ya

The seminar was conducted to discuss on strategies to engage with stakeholders through MARE themes. Several stakeholders were already identified, and the next step would be to visit and invite them to join as part of Sector Collaborative Platform (SCP).
