

MARE Equipment Usage for 2022

Equipment Usage at Civil and Environmental Engineering Department

The equipment installed are used for interactive teaching, adjunct lectures, meetings as well as presentations by students and staff.

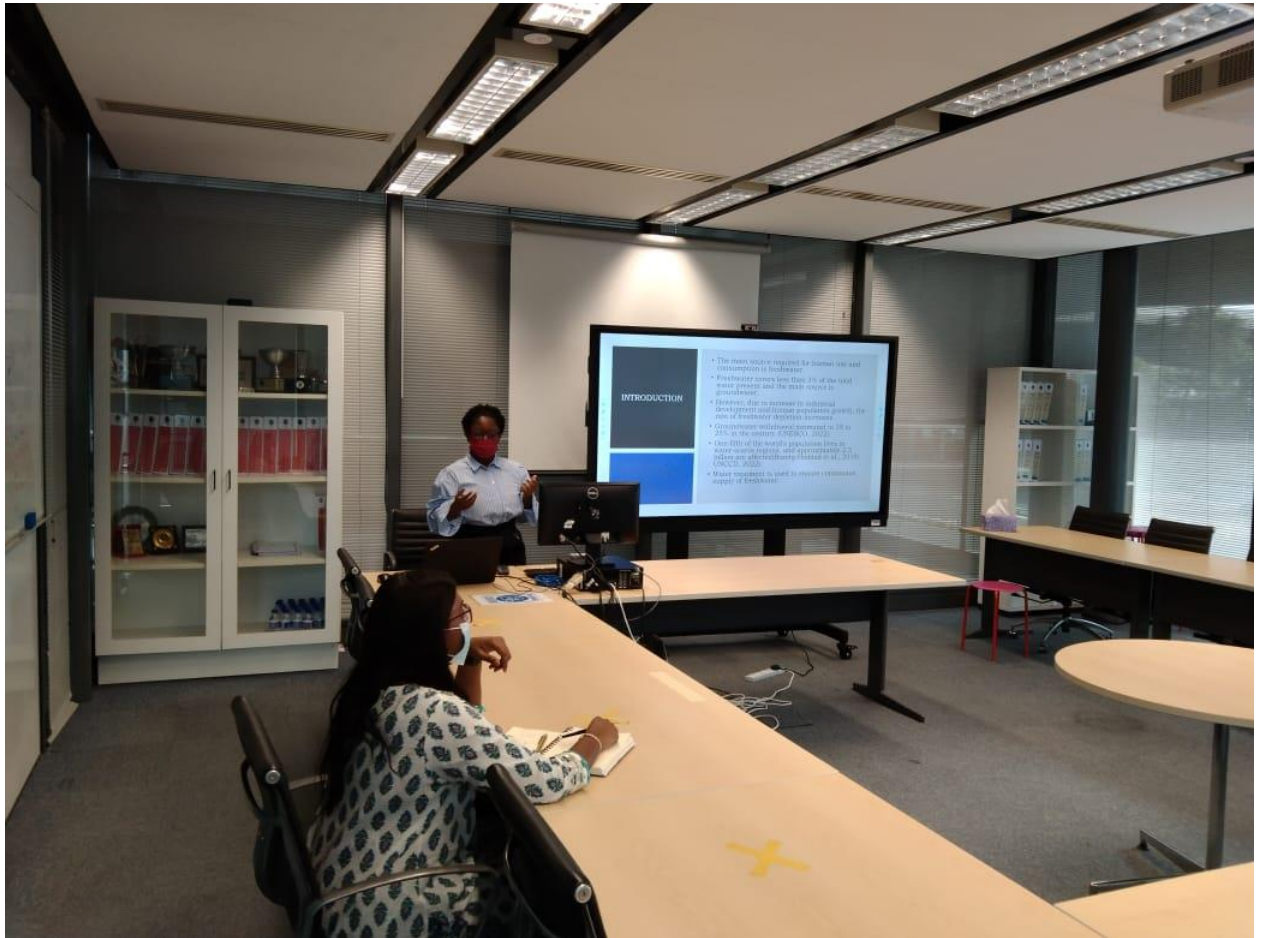

Department meeting and discussion

Location: Level 3, Block 13 (13-03-25), Civil and Environmental Engineering Department

Activities session by Lecturers

Location: Level 3, Block 13 (13-03-25), Civil and Environmental Engineering Department

Interactive presentation by student

Location: Level 3, Block 13 (13-03-25), Civil and Environmental Engineering Department

65" Smart UHD TV at Academic Assistant desk

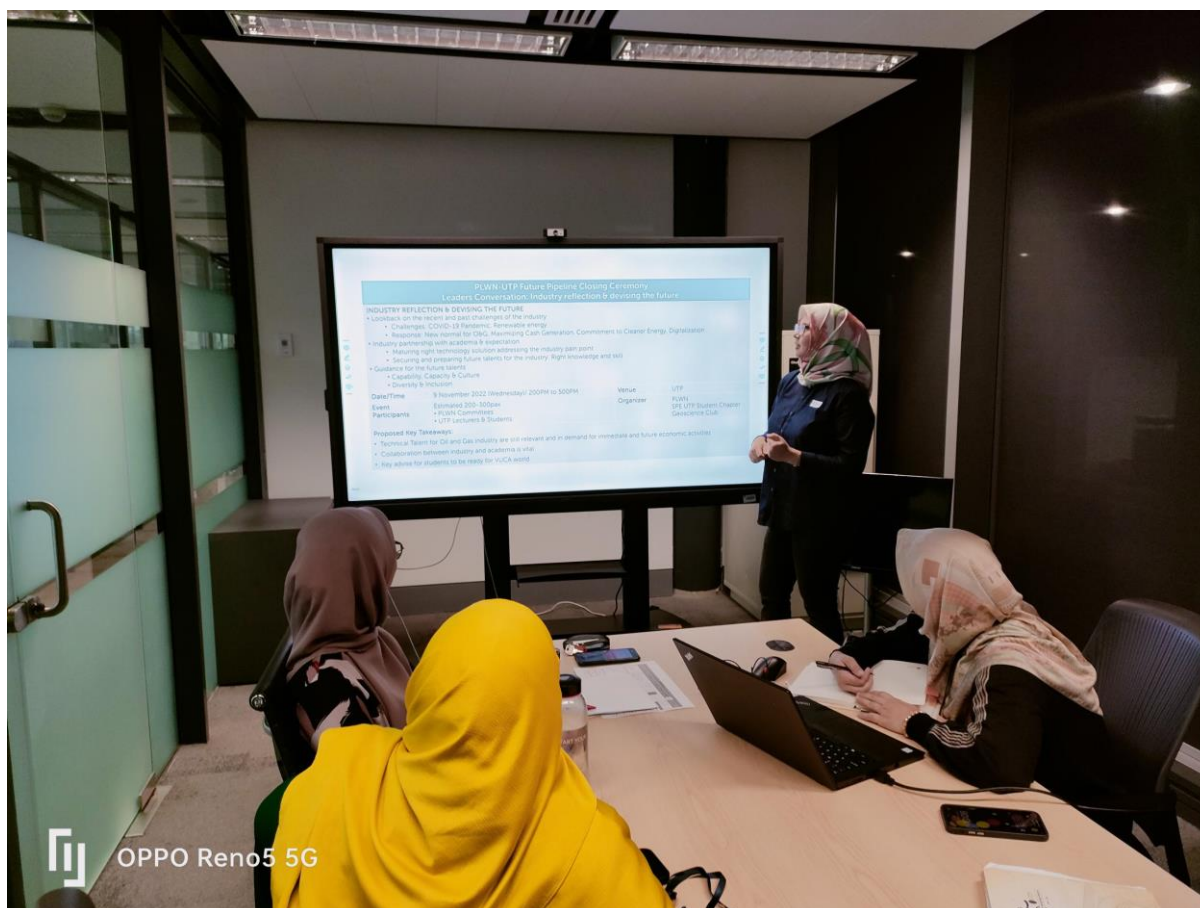

Location: Level 3, Block 13 (13-03-25), Civil Engineering Department

Equipment Usage at Petroleum Engineering Department

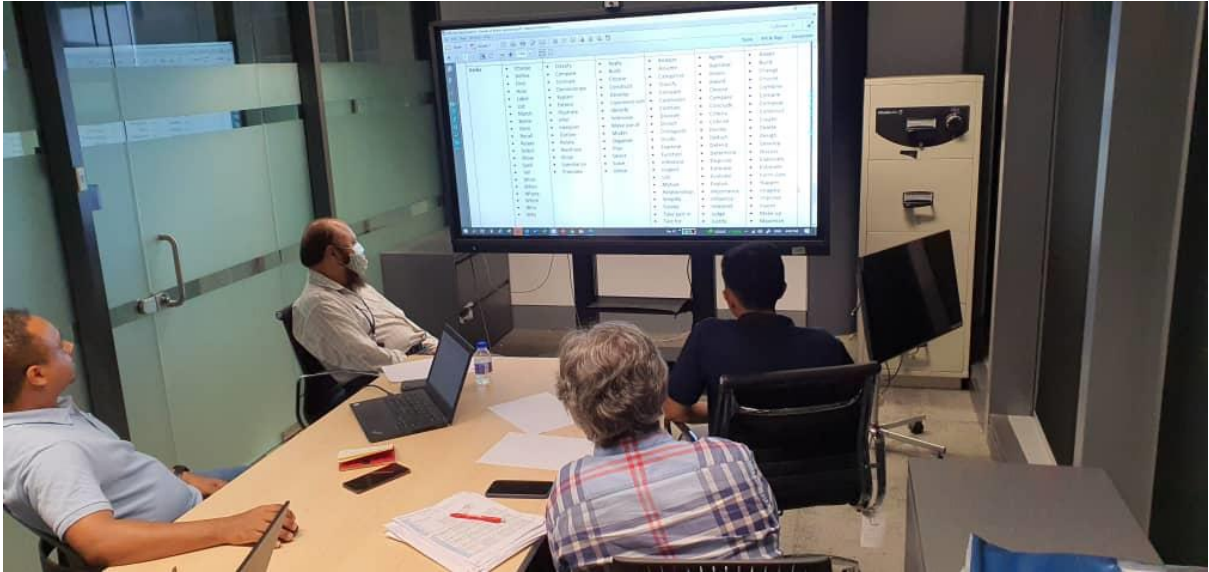

The equipment installed are used for interactive teaching, adjunct lectures, meetings as well as presentations by students and staff.

1. Date and location: 25 October 2022 / Block 12-03-21 (Examination Rooms)
2. Audiences: Students
3. Purpose: FYP Discussion with students and staff

1. Date and location: 02 November 2022 / Block 12-03-21 (Examination Rooms)
2. Audiences: Staff
3. Purpose: Meeting PLWN Closing Ceremony

1. Date and location: 26 October 2022 / Block 12-03-21 (Examination Rooms)
2. Audiences: Staff
3. Purpose: Final Exam Vetting Meeting

1. Date and location: 08 December 2022 / Block 12-03-05
2. Audiences: Staff
3. Purpose: PDA (Performance Appraisal) Session

Equipment Usage at Mechanical Engineering Department

The equipment installed are used for interactive teaching, adjunct lectures, meetings as well as presentations by students and staff.

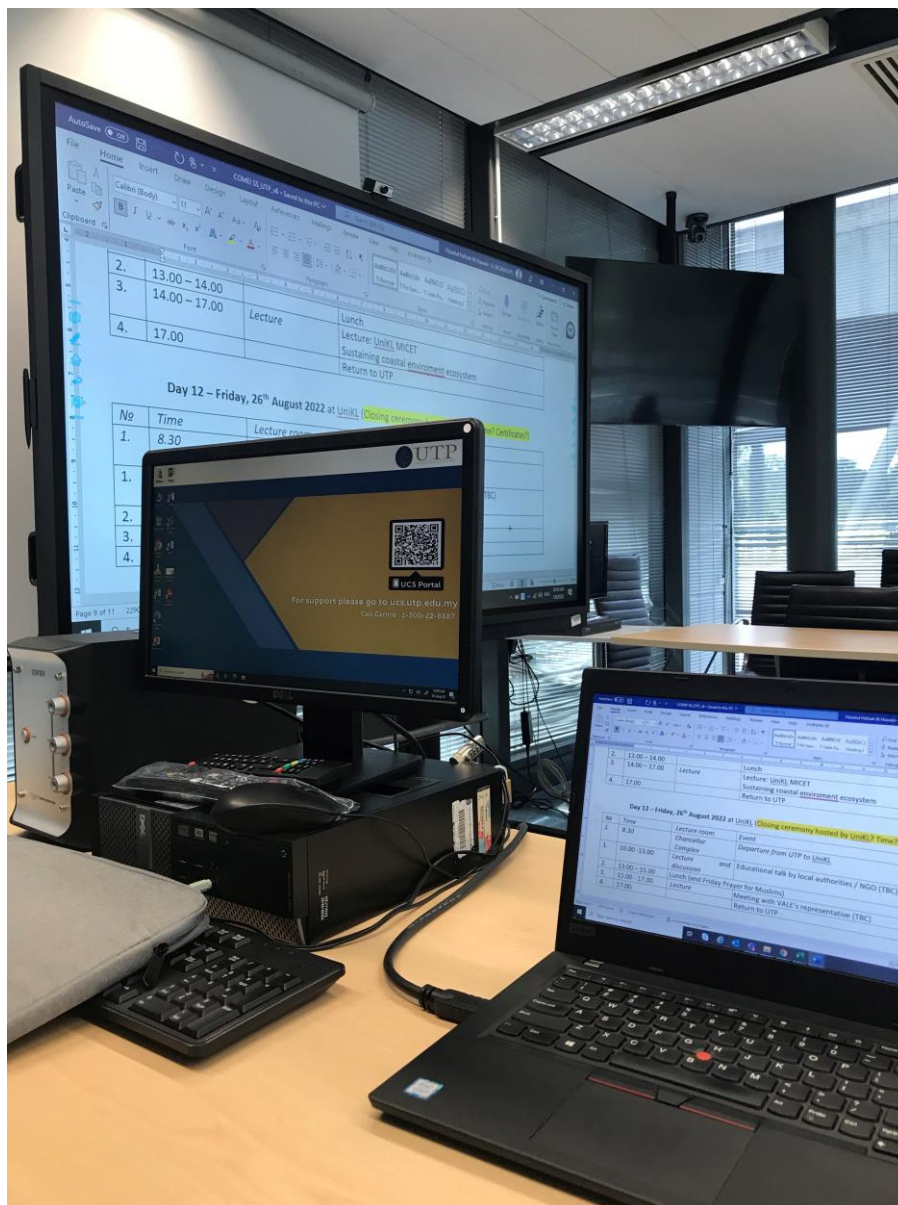

1. Date and location: 21 July 2022 / Block 17-03-25
2. Audiences: Staff
3. Purpose: Erasmus+ MARE Project Coordination Meeting for Summer School

1. Date and location: 05 August 2022 / Block 17-03-25
2. Audiences: Staff
3. Purpose: Meeting with UniKL on Summer School for Erasmus+ MARE Project

1. Date and location: 05 August 2022 / Block 17-03-25
2. Audiences: Staff
3. Purpose: Meeting with UniKL on Summer School for Erasmus+ MARE Project

1. Date and location: 05 August 2022 / Block 17-03-25
2. Audiences: Staff
3. Purpose: Meeting with UniKL on Summer School for Erasmus+ MARE Project

1. Date and location: August 2022 / Block 17-03-25
2. Audiences: Students and staff
3. Purpose: Lecture on Fluid Mechanics to Undergraduate Students of Mechanical Engineering Department

Other usages of MARE equipment in Mechanical Engineering Department are as follows.

Meeting Room 17-03-25

Date	Purpose
23-Feb	Presentation by Dr William
18-Apr	Discussion for MQA Audit MSc AMM
31-May-22	ESTCON ICREEM 2022: Kick-off Meeting
9-Jun-22	Presentation by Dr Mokhtar Awang
14-Jun-22	1st Meeting_ Preparation for ISO Audit
21-Jul-22	ERASMUS Summer School Coordination Meeting (physical)
27-Jul-22	Introduction Session on IRC Book - Demand Package
10-Jul-22	Presentation by Dr Mazli
18-Aug-22	MSc AMM IBP Viva May 2022 - Jidhin
24-Aug-22	Presentation by Dr Masdi
2-Sep-22	MAE SAR - Review of Internal Audit Results
5-Oct-22	MSc AMM: Revised Structure Workshop - Context setting
6-Oct-22	Composite materials talk from Prof Russell, Deakin University Australia
7-Oct-22	ICREEM 2022 Main Committee Meeting
11-Oct-22	visit from UniKL to discuss the Capstone course
12-Oct-22	Benchmarking Visit by UNIMAS (Mechanical & Manufacturing Eng)
13-Oct-22	Benchmarking Visit by UNIMAS (Mechanical & Manufacturing Eng)
26-Oct-22	FYP Presentation _Prof Shaharin
27-Oct-22	FYP Presentation _Prof Faiz
27-Oct-22	FYP Presentation _Dr Shuaib
28-Oct-22	FYP Presentation _Dr Rao
28-Oct-22	FYP Presentation _Dr Norlin

Local Project Coordinator

Dr. Shaharin Anwar Sulaiman
