MARE -Marine Coastal and Delta Sustainability for Southeast Asia

On 21 Feb 2023, within the framework of the Marine Coastal and Delta Sustainability for Southeast Asia (MARE) Project, representatives of UniHB paid a visit to MCD office in Hanoi and had a meeting with MCD team.

Through the visit and meeting, the representatives of two parties UniHB and MCD had the opportunities to meet in-person, to exchange institutional perspectives, and to discuss about the progress of MARE project in which the roles and tasks of both parties were reflected on for mutual appreciation and efficient cooperation. It was also an useful discussion that resulted in a mutual agreement on the coordination mechanism from UniHB to MCD for the period until the end of the project, to make sure effective accomplishment of the project.
