

ACTIVITY	2 nd International Conference on Marine and Advanced Technologies (ICMAT) 2021
ORGANIZER	Universiti Kuala Lumpur Malaysian Institute of Marine Engineering Technology (UniKL MIMET)
VENUE	Microsoft Teams (online platform)
DATE	24 th August 2021
ATTENDEES	Approx. 100 pax.

The 2nd International Conference on Marine and Advanced Technologies was conducted on 24th August 2021. It is annual event organized by Universiti Kuala Lumpur Malaysian Institute of Marine Engineering Technology. It is home grown conference with the ideas to involve with the participation from local and international researchers and inventors.

MARE was requested to participate in the conference with the special theme unfortunately the invitation not capture the intention of others team members.

The conference was collaborating with the academia and stakeholder. It is the platform to change and update the latest technologies involve in engineering and operations especially in maritime sector. More then 75 papers have been presented during the event.

Organizer give an opportunity for MARE to advertise and promote the project during the parallel session. The information has circulated for their info and further discussion.

The event was made successful through collaboration between the Research and Innovation Section, Dean's Office, Marketing Unit (MeSRA)

The session conducted by using online platform due to Covid-19 pandemic.

INTERNATIONAL CONFERENCE ON MARINE AND ADVANCED TECHNOLOGIES

"Propelling Innovative Ideas"

CALL FOR PAPERS

2nd International Conference on Marine and Advanced Technologies (ICMAT) 2021

Conference Overview

Universiti Kuala Lumpur Malaysian Institute of Marine Engineering Technology will be organising the 2nd International Conference on Marine and Advanced Technology (ICMAT 2021) which will be held virtually on 24 August 2021.

Keynote speakers

Assoc. Prof. Cdr.(R) Dr. Aminuddin Md Arof
Dean / Head of Campus Universiti Kuala Lumpur
Malaysian Institute of Marine Engineering Technology

Topic: Key determinants to achieve green port status for dry bulk terminals.

Mr. Mirza Iryawan Hamza
Technical Director of Hidrokinetik Technologies Sdn Bhd

Topic: Autonomous and remote vessels for marine data acquisition.

Registration Fee

- Local : RM 800
- International : USD 250

Springer

All accepted papers will be published in Scopus-Indexed Advanced Structured Materials (ISSN: 1869-8433)

Important Dates

15 June 2021
Full paper submission deadline

31 July 2021
Camera ready full paper submission deadline

1 July 2021
Notification of acceptance

10 August 2021
Release of conference schedule

15 July 2021
Registration Deadline

24 August 2021
Conference Dates (Virtual Mode)

ICMAT 2021

INTERNATIONAL CONFERENCE ON MARINE AND ADVANCED TECHNOLOGIES

CERTIFICATE OF APPRECIATION

Presented to

TS DR KHAIRUL ANUAR MAT SAAD

in recognition of contribution as a

CHAIRMAN (PARALLEL SESSION)

in

2nd International Conference on
Marine and Advanced Technologies (ICMAT 2021)
held on 24 August 2021 on VIRTUAL mode

TS. DR. WARDIAH MOHD DAHALAN
Chairman
ICMAT 2021
