VISION

A Leader in Technology Education and Centre for Creativity and Innovation.

MISSION

UTP is an institute of higher learning. We provide opportunities for the pursuit of knowledge and expertise for the advancement of engineering, science and technology to enhance the nation's competitiveness.

Our objective is to produce well-rounded graduates who are creative and innovative with the potential to become leaders of industry and the nation.

Our aim is to nurture creativity and innovativeness and expand the frontiers of technology and education for the betterment of society.

CHANCELLOR COMPLEX

Envisaged as the signature building of the campus, the Chancellor Complex, housing the Hall, the Resource Centre and the administration offices, beckons the public to the university via the Plaza.

The vast 'inverted spoon-shaped' roof protects the building from the extremes of the weather. The steel-glass structure gives a sense of space to the area and reveals the functional usage of the building as well as the intricate but subtle traditional songket design of the claddings.
